Agenda

WEDNESDAY, OCTOBER 8, 2025

Washington Health, Safety & Workers Compensation Workshop

12:30 PM - 5:00 PM Registration & Information Table

1:00 PM - 1:10 PM Welcome & Introductions

- 1:10 PM - 2:10 PM
- Session I: L&I Voluntary Protection Program & STAR Certification
 - *Explore the structure, requirements, and benefits of the Washington State Department of Labor & Industries' Voluntary Protection Program (VPP) and STAR certification. This session will cover eligibility criteria, application steps, and the continuous improvement expectations for employers striving to exceed basic compliance and achieve exemplary safety and health performance.*
 - Brett Campbell, Safety Consultant, Washington State Department of Labor & Industries
- 2:25 PM - 3:25 PM
- Session II: Post-Traumatic Stress Disorder (PTSD): Recognizing and Supporting Employees in the Workplace
 - *This session offers an introductory overview of Post-Traumatic Stress Disorder (PTSD), a mental health condition that can affect employees across all industries. Attendees will learn how to recognize potential symptoms, understand the impact PTSD can have in the workplace, and explore practical steps employers can take to support affected employees through policy, communication, and access to resources.*
 - Katie Best, Director of Client Services, EAP, First Choice Health (Virtual)

Get Involved!

JOIN WTA'S RETRO PROGRAM

Lower your workers' compensation costs while improving safety and compliance with the Washington Trucking Associations' Retro Program. By pooling together with other motor carriers, you can qualify for refunds on premiums, access expert claims management support, and strengthen your company's safety culture.

Don't leave savings on the table—partner with WTA and put Retro to work for your business!

For more information on WTA's Retro Program or to see if your company qualifies to participate, email wta@watrucking.org.

ATRI'S 2025 TOP INDUSTRY ISSUES SURVEY

**DEADLINE:
OCTOBER 10, 2025**

The American Transportation Research Institute (ATRI) invites trucking stakeholders to take part in its 21st annual Top Industry Issues Survey. This survey ranks the industry's most pressing challenges and identifies strategies for addressing them, with results highlighting perspectives from both motor carriers and professional drivers.
